Automatic Transmission Warranty Information Sheet

Transmission Serial No: _____

Installation Date: _____ **Mileage:** _____

APS Precision warrants to the original purchaser that each transmission sold by APS Precision shall be free of defects in material and workmanship under normal use and with periodical maintenance as set forth by the original manufacturer subject to the following terms and conditions.

DEFINITIONS:

Transmission: As used in this warranty refers to the New or Remanufactured assembly depending on original order (torque converter, transmission housing and all internal components) as supplied by APS Precision.

TERM: This warranty shall exist as follows:

- Performance Transmissions: 24 months or 40,000 miles, whichever occurs first.
- "Super Torque Twister" Performance Transmissions or Stock Plus Units: 12 month or 12,000 miles, whichever occurs first.

The warranty term begins upon the date of installation or one month after transmission delivery whichever comes first. Subject to limitations listed herein, APS Precision, at its option, shall repair or replace a product within the warranty term after determination by APS Precision that the product is defective. All products are to be returned to APS Precision for inspection: Products not returned to APS Precision will not be warranted. All repairs and/or replacements covered by this warranty must be authorized by APS Precision in advance. All shipping costs of the transmission are incurred by owner unless prior written agreement by APS to the contrary exists. Unauthorized repairs will not be paid nor will they be reimbursed. Any repair or replacement needed during the warranty period will be covered for the remainder of the original products warranty only. If the transmission is replaced within the first 2 months or 2000 miles we will reimburse for the following; Fluid and filter replacement.

LIMITATIONS: This warranty applies to products originally supplied by APS Precision. This warranty does not apply to or include any of the following,

- Damage as a result of **OVERHEATING, LACK OF LUBRICATION or CONTAMINATION.**
- Repair or replacement required as a result of any accident or misuse.
- Any abuse resulting in a Sprag Clutch Failure (i.e. Neutral Drops)
- Repair or replacement of any accessory or service item, including but not limited to: all components of the oil cooler and/or lines, electrical, suspension and steering In addition to drive shafts, C.V. joints, transmission mounts, carriers, external cables. linkage, etc.
- Any product used for competition or related purposes unless expressly authorized by APS Precision.
- Any product to which a device or accessory not conforming to APS Precision specifications has been installed.

- Any product on which periodic maintenance services required have not been performed.
- Damage to transmission, engine and other assemblies or components resulting from improper installation or abuse.

LIMITED LIABILITY: APS Precision's liability under this warranty is limited solely to the repair or replacement of defective product. APS Precision shall not be liable for any incidental, labor, special, consequential or exemplary damages. Including but not limited to rental cars, towing fees or for any service not expressly provided for herein, relating to, or arising from the APS Precision product.

LIMITED WARRANTY: This warranty is given in lieu of all other warranties, expressed or implied, including any warranty of merchantability, or fitness for a particular purpose, on the part of APS Precision or the person(s) installing the transmission. No dealer nor any person(s) thereof is authorized to extend or modify this warranty. All parts (seals, gaskets, etc.) supplied for customer installation are warranted only prior to installation.

LABOR PAYMENTS: APS Precision's authorized repair's will be compensated at a rate not to exceed 50% of the Mitchell Motors, AllData, or Chilton Repair Manuals published applicable flat rate schedule. Hourly rates for all authorized labor claims will be paid in accordance with the original installation rate, not to exceed \$50.00 per flat rate hour. Non-licensed repair shops or owner / installers will be paid a maximum of \$10.00 per flat rate hour. If APS was not the original installer of the transmission it is under no obligation to pay labor fees under the warranty agreement even if the failure was due to defect in materials or workmanship.

ADDITIONAL OWNER / USER OBLIGATIONS: Flush the transmission cooler and cooler lines prior to installation. Follow all installation instructions supplied with the transmission.

FAILURE TO PERFORM THESE BASIC OPERATIONS MAY RESULT IN A VOIDED WARRANTY
